PRIVACY NOTICE

Distributors, applicants and customers · Philippines

Version 1.0 · October 2026 · draft for review by Philippine counsel before use

1. Who we are

YESGLOBAL NUTRITION & WELLNESS INCORPORATED (SEC Registration No. 2026070260945-01), of 120L Ground Floor, Spark Place, P. Tuazon corner 10th Avenue, Barangay Socorro, Cubao, Quezon City 1109 (“we”) is the personal information controller for the personal data of our distributors, applicants and customers, under the Data Privacy Act of 2012 (Republic Act No. 10173), its Implementing Rules and the issuances of the National Privacy Commission (NPC). We are a member of the Yes Global group.

2. What we collect

Identity (name, date of birth, nationality, government ID type and number, photo for identity checks); tax data (Tax Identification Number); contact details (address, mobile, e-mail); bank account details; your sponsor and position in the network; orders, payments, sales volume, ranks and bonuses; messages with us; and technical data when you use our website or member portal. Government ID numbers and TINs are sensitive personal information under the Act.

3. Why we use it, and on what basis

- To assess your application and verify your identity — to enter into the contract with you.
- To keep your member account, process orders and deliveries, and calculate and pay bonuses — to perform the contract.
- To withhold and report taxes (BIR), keep the records Philippine law requires, answer regulators (including the DTI and the FDA) and handle product recalls — legal obligations.
- To prevent fraud, duplicate accounts and inventory loading, and to enforce the Code of Ethics — our legitimate interests.
- To send news about products, promotions and events — only with your consent, which you may withdraw at any time.

4. Who sees it

Your sponsor and upline see your name, member ID and your organisation's sales volume, so they can support you; never your government ID, TIN or bank details. We share data with our service providers (payments, delivery, IT hosting, identity checks) under written agreements that bind them to protect it; with Yes Global Marketing Sdn. Bhd. in Malaysia, which operates the group's member system; and with government agencies and courts where the law requires. We do not sell personal data.

5. Transfers outside the Philippines

Because the member system is operated from Malaysia, your data is transferred outside the Philippines. We remain responsible for it, and the group company processes it only for the purposes in this Notice, under an agreement that requires protection at least equal to the Act.

6. How long we keep it

For as long as you are a member and then for the period the law requires — including the ten (10) years the tax rules require for records supporting bonuses and withholding — after which it is deleted or anonymised.

7. Security and breaches

We use organisational, physical and technical measures to protect personal data, limit access to staff who need it, and notify the NPC and affected persons of a personal data breach as the NPC's rules require.

8. Your rights

You have the right to be informed, to object, to access, to correct, to have data erased or blocked where the Act allows, to data portability, to withdraw consent, and to claim damages. Withdrawing consent or objecting may mean we can no longer keep your account or pay bonuses where the data is needed for that.

9. Contact and complaints

Data Protection Officer, YESGLOBAL NUTRITION & WELLNESS INCORPORATED, ph@yesglobal.co, 120L Ground Floor, Spark Place, P. Tuazon corner 10th Avenue, Barangay Socorro, Cubao, Quezon City 1109. If you are not satisfied with our answer, you may complain to the National Privacy Commission (privacy.gov.ph).

10. Changes

We will post any change to this Notice and, if it affects how we use your data in a material way, tell you before it takes effect.
